Ruskington Parish Council Updates

It's beginning to look a lot like Christmas!! Hopefully you will have noticed the Christmas trees and lights along the High Street. This year we have supplied even more trees for above the businesses and wrapped the tree trunks along the Beck. Please let us know your thoughts—we think it is very effective!

A big thank you to everyone who filled out a public consultation survey back in September 21. Your opinions and ideas have helped the council with budgeting for future projects.

Following the consultation, the Parish Council has now submitted the funding application for the refurbishment of the Parkfield play area. If successful, this funding will help expand the area by replacing old and adding new and exciting play equipment as well as replace rotten fencing and add more seating. Bike racks have already been installed. Other projects including a nature trail and dogs off lead area are also being investigated.

Wreaths in the cemetery will be removed by council staff at the end of January in advance on Valentine's Day!

There are 4 vacancies for councillors on the Ruskington Parish Council— do you want to get involved and have some spare time to represent your village? If you are interested in becoming a councillor, please contact the Clerk at clerk@ruskingtonpc.org.uk for more information.

Full council meetings are held in the Winchelsea Centre at 7pm. Public are welcome to attend and make short statements in the public forum at the start of the meeting. The usual date for council meetings may be changing so please keep an eye out on the noticeboard and social media for updates.

The next meeting dates are as follows:

Tuesday 11th January 2021

For information on committee meetings, please visit our website, check the noticeboard or contact the clerk at clerk@ruskingtonpc.org.uk.

What's on ..

Ruskington Rascals Preschool

Ruskington Rascals Pre-School is your local village pre-school based in the village hall on Parkfield Road. We take children from 2-5 years (funding is available for all children over 3 years of age and 2 year olds may be eligible for funding).

Our aim is for our children to develop into confident, resilient and sociable children to prepare them for school. The children learn through a play based approach and have lots of fun with a huge variety of different learning experiences where every day is different.

We are very lucky to have use of a large hall and secure outside area – but we love to explore other areas of the village too such as Horseshoe Hollows, the playing fields and MUGA, the garden centre and we are always excited to see the trains in various spots around our village!

As I write this we are beginning our Christmas preparations! The children are learning Christmas songs, the glitter is flowing, we are looking forward to displaying a tree in the Sleaford Christmas Tree Festival, celebrating Christmas Jumper Day and finishing off the term with a Christmas party!

We have a very experienced team of staff and have been rated 'Good' by OFSTED. For more information take a look at our facebook page, send us a message (either on Messenger or e-mail at ruskingtonrascalspreschool@gmail.com) or give us a ring on 07545954412.

Why not come and join in the fun and learning at Rascals where you will receive a warm welcome!

Warming Pumpkin Soup

by Denny Foster

1 tbsp olive oil
1 chopped onion
2 crushed cloves of garlic
1 litre veg stock
1/2 tsp cumin, coriander, chilli flakes
1 chopped pumpkin
1 tin chopped tomatoes

handful coriander leaves and swirl of cream to serve (optional)

1. Fry onion in oil until soft not brown, add garlic and cook for another minute then add spices and cook further minute.
2. Add pumpkin and stir with all the spices, add stock and tomatoes.
3. Bring to the boil, then reduce heat and simmer for about 20 minutes or until pumpkin tender.
4. Season with Black pepper and salt.
5. Serve with a swirl of cream or natural yogurt and a sprinkle of freshly chopped coriander leaves.

This recipe works with any squash or marrow

Ruskington Chestnut Street

Church of England Primary School
and Little Conkers Pre-School

After 2 years without an opportunity to officially welcome our new intake into school, it was a wonderful occasion in October as Rev'd Al, the children in Oak, Sycamore and Hazel received their school bibles and laid a stone on our cairn. Although for some of them it came later in their school career, it officially marks their start to their time as a part of our Church school.

Welcome to our school community!

November 15th sees the opening of the Primary School Admission window for applications to start school in September 2022. We are proud of our school and would like to offer the opportunity of a tour to any parent whose child is starting school next year.

If parents would like to book a tour of school and conversation with our staff team we can accommodate this at a time to suit you. If you are interested please contact the school office: 01526 832424 or school.office@chestnut-street.lincs.sch.uk.

Our Year 6 pupils were lucky enough to be invited to take part in a Remembrance Day art project in collaboration with the Museums and Schools project. The children visited The International Bomber Command Centre in Lincoln to take part in a bespoke workshop with Ruth Pigott a professional artist and were taught about the meaning of remembrance. Our school worked in conjunction with the East Midlands Railways on their Poppy Express project.

The children made purple poppies which were then created into a wreath and hung on the platform at Ruskington Station. Purple poppies are used to remember the bravery of all the animals that have served in past and present wars. It was a privilege to be one of the schools in Lincolnshire asked to be part of this project leading up to the service.

Ruskington Chestnut Street

Church of England Primary School
and Little Conkers Pre-School

On the 11th November three of our amazing year 6 pupils did a wonderful job representing our school as part of the Routes of Remembrance project. They went to Nottingham station where they took part in a special Remembrance service, laying poppies at the war memorial.

Earlier in the term we held a reading week we were visited by two authors, *Helen Rutter* author of *'The boy who made everyone laugh'* had a Teams meeting with our KS2 children and *Ely Sample* who works at the university of Lincoln and author of *'The Lincolnshire Puppy'* came into school to speak to our EYFS and KS1 children. The Authors set the children a challenge to write their own short stories. We had fantastic entries and the authors donated lovely prizes for the overall winners.

The authors judged the entries – *"WOWZERS what an epic tale! It reminded me of some huge stories like Lord of the Rings and Philip Pullman. I think you may need to write your own trilogy! Huge well done and keep writing."* This was commented on Freya's short story.

"This was such a lovely story about friendship and someone making you feel better. It was a really inspiring and feelgood story and I can only commend Konstantinos on creating a book so excellent and readable."

We held our Harvest Festival at the start of term where our worship committee and Rev Al Jenkins led the school in singing songs, shared readings and prayers. We were delighted to be able to support the Community Foodbank— "the Food Larder", our community was very generous with their donations.

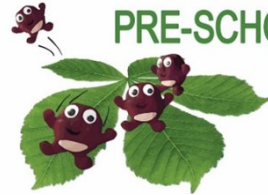

It is with great excitement that we look forward to having our traditional Christmas festivities and fun – our Christingle service in church, the EYFS and KS1 children will be sharing their performances to family and friends, there will be a PTA film night and the whole school will be going to watch Aladdin at Lincoln Drill hall. From everyone at Ruskington Chestnut Street we would like to wish our whole community a very Merry Christmas and peaceful New Year.

Very best wishes Mr Doud (Head of School)

LITTLE CONKERS PRE-SCHOOL

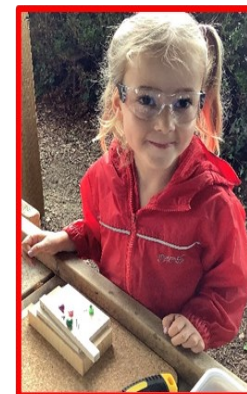

We always look forward to sharing with you our wonderful fun and learning! Here are some highlights from our exciting Summer Term which we didn't want you to miss – even though by the time you read this, the Autumn Term will be in full swing!

We've had ring side views whilst fabulous changes have been taking place outdoors, and we have been learning so much about building, materials and machines, and we are definitely experts about skips!!

Little fingers developing great skills with their woodworking.

Ruskington Chestnut Street

Church of England Primary School
and Little Conkers Pre-School

Our giant sand area is always full of fun and activity, with so many opportunities, especially for using and extending our maths knowledge and understanding.

All of our hard work preparing beds, sowing and tending our fruit and vegetables as they have been growing has started to reward us with super harvests!

If you are thinking about a Pre-School for your 3 or 4 year old please do get in touch so we can chat to you more about all we provide.

Dear Sir/Madam

LINCOLN ROAD, RUSKINGTON – PROPOSED 30MPH SPEED LIMIT EXTENSION

Lincolnshire County Council recently received a request to reduce the speed limit on Lincoln Road, Ruskington due to a new development being constructed.

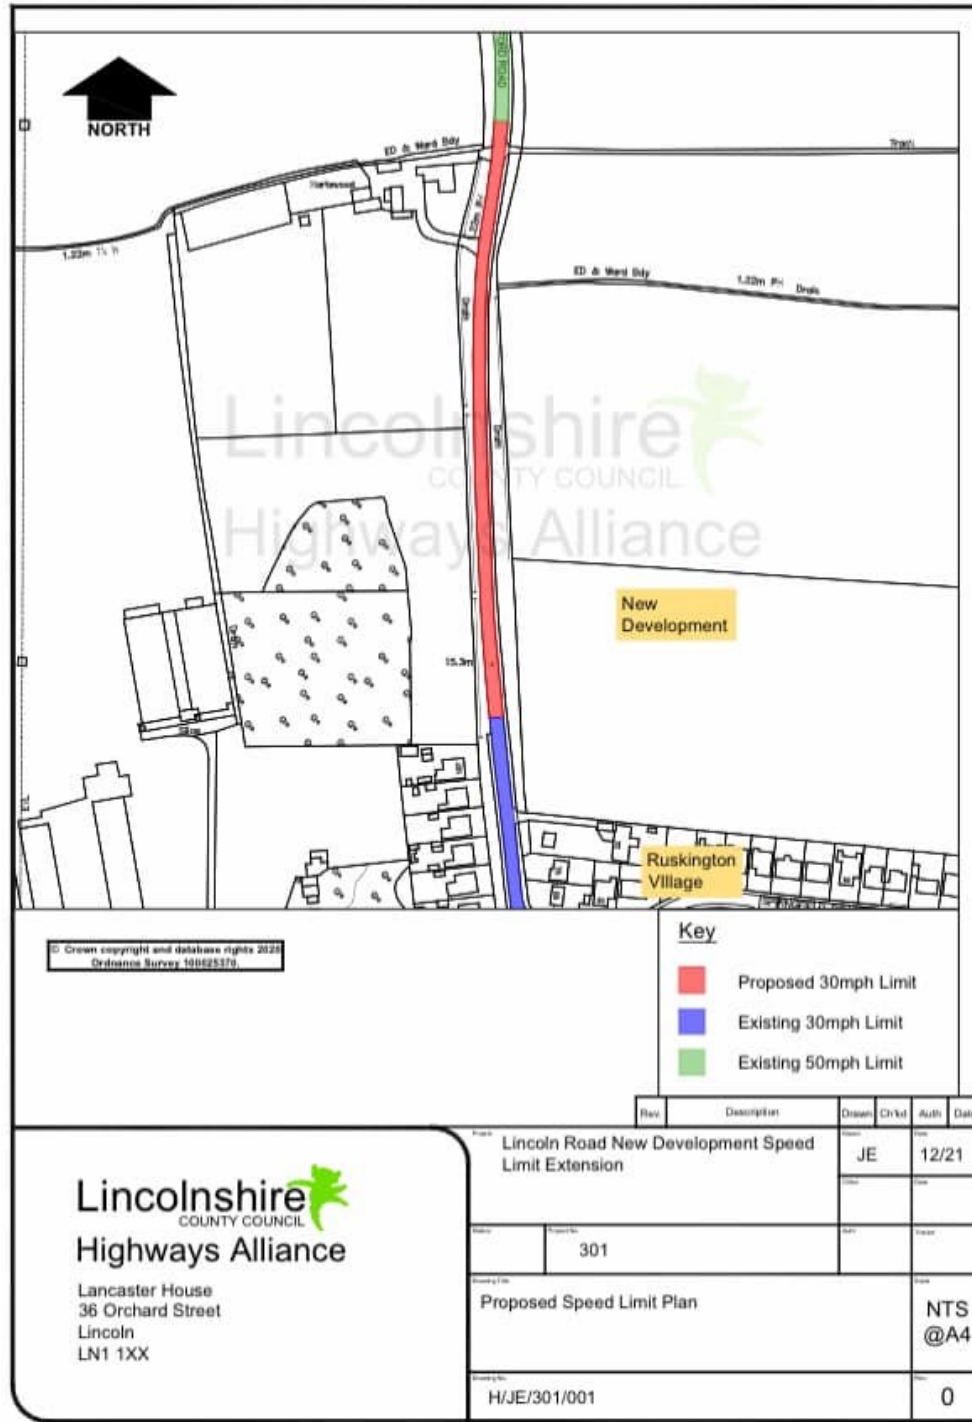

Investigations have shown that the development criteria of our speed limit policy have been met and we are proposing to extend the existing 30mph on Lincoln Road. A plan showing the location of the proposed Speed Limit Order Extension is attached (Drawing number H/JE/301/001).

Before proceeding further, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time.

Any observations on these proposals should reach me in writing or via email by **7th January 2022**.

Yours Faithfully

Jamie Earls
Senior Traffic Engineer

Winchelsea Primary School
All Individuals Matter

I write this as everyone at Winchelsea is having a welcome Autumn half term break after what has been a challenging return to school since September. Our modified risk assessment has been put in operation and I am extremely grateful to everyone in our school community for following the guidelines to continue to keep us all as safe as possible. The children have been fantastic and it has been wonderful to see them back in school, enjoying their learning, loving being with their friends and having fun in their lessons. We have welcomed lots of new children and families to our school, not only in our Reception and Nursery class but across the whole school. A number of our classes are now full and three of our four Key Stage 2 classes have exceeded the planned numbers so we are full to the brim!

This month I thought I would share some photos that show some of the great learning activities that have been going on in school.

At the end of September 42 children and five staff went to PGL at Bawdsey Manor in Suffolk for a week of adventures. This was a fantastic week, despite some interesting weather conditions! We still ventured to the beach for a coastal walk and enjoyed a campfire in the evening. We rose to the challenges of abseiling, archery, rifle shooting, zip wire, giant swing and so much more. The children were super and we received huge compliments from all the staff we encountered at PGL as well as members of the public we came across on our travels. You can see some of our adventures on Twitter!

In September Winchelsea signed up for the 'Cycle September' challenge which was taking place not only across Lincolnshire but across the whole country. We took up the challenge to ride our bikes as much as possible and every cycling journey was individually logged – both for leisure and for cycling to and from work. We were very proud to receive this certificate which showed that we had come achieved third place for our efforts!

In Year 3 (Amethyst class) the children have been learning some conversational French as well as finding out more about France. The children have already become very good at asking each other how they are and sharing information such as their age or whether they have brothers or sisters. In the accompanying photograph you can see them enjoying some croissant and some pain au chocolate – not sure whether we should introduce snails or frogs' legs though!

In Year 2 (Sapphire class) the class have been looking at art work by Andy Goldsworthy who used items in nature to create large scale pieces of art. The children made some super installations around our school grounds using the outside environment to find leaves, berries, twigs and stones etc. They then created a piece of art in their classroom which was made of different pieces of fruit which can be seen in this photograph. They then enjoyed eating the leftover fruit (you might think

that Winchelsea pupils spend their days eating!).

Our little Diamonds are our youngest children in Nursery and Reception and many of them are new to school. They are full of smiles and have been working hard on their letters and sounds and their numbers. What could be better than to see how much they are enjoying their learning and their faces, like the one in this photo, cannot fail to bring a smile to your faces too

Extra-curricular clubs/ opportunities

It has been great to get our clubs up and running again since September and we know that the children really enjoy the opportunities to develop their interests and skills beyond the normal school day. We have lots of sports clubs for all ages and we are preparing to develop our netball and football teams as the local school leagues are being reviewed and we are looking forward to some competitive but friendly matches with other schools in the area. Sport at Winchelsea continues to go from strength to strength and we continue to provide opportunities and experiences for children to encounter a range of different sports through Friday festivals organised through our links with Carre's Grammar School – some of them quite unusual. This term we have already organised teams to take part in tchoukball, orienteering, netball and handball and we have trained up a sports crew who will be doing some great work in school over the academic year. We aim to ensure that all children get a chance throughout the school year to take part in at least one inter-school event and it is this commitment that has helped to secure our Goldmark Award in Sports provision which we have maintained for the last five years. Our children have tried their hardest in all the sports fixtures they have attended and I am proud of their excellent team spirit and sporting values.

There are other clubs in school that do not have a sports focus – this year we have a chess club for the first time and it is great to see the enthusiasm some children have for this strategic game. The choir are back on form and have already begun receiving invitations to perform.

Winchelsea Primary School

All Individuals Matter

Despite the continuing challenging situation nationally we are still keeping spirits up and smiling! Winchelsea school always rises to whatever challenges we need to face and will always endeavour to do our best for everyone we work with.

As always, I would like to make sure that I have said a great big thank you to all linked with our school who have supported us in so many ways – I consider Winchelsea to be one big team consisting of staff, children, governors, parents and the wider community and we all work together to make Winchelsea the great school that it is.

To see more of what we do please follow me on Twitter **[helen duckett @Winchelsea1](#)** where you will see photographs and updates on a daily basis and won't have to wait for the next edition of the Signpost Magazine!

We are, naturally, very proud of our school and know it stems from the great team work that we have at Winchelsea – staff, pupils, parents, governors and the community are all valuable to the success of our school. We have been oversubscribed for five consecutive years now and five of our seven classes are full, with waiting lists in place so if you know of friends who are intending to register their children at Winchelsea in the future or you have little ones of your own it may be advisable to talk to us soon! We continue to invite anyone who is looking for a new school for their children to give us a call. I believe that if you visit Winchelsea School you will be impressed by the friendly atmosphere and caring nature of all who work here but also by the pupils' enthusiasm for learning that makes our school special. We are committed to offering our children the best education that we can. If you would like to see more of what is going on in our school please visit our website at www.winchelsea.lincs.sch.uk/. Please contact the school office on 01526 832060 if you would like to visit.

In the meantime, I hope you and your loved ones all stay safe and well.

Helen Duckett—Head Teacher

Local Defibrillators

Ruskington has public access defibrillators at the following locations:

- * The Winchelsea Centre, 11 High Street North, NG34 9DY
- * The Co-op, High Street North, NG34 9DY
- * The Village Hall , Parkfield Road, NG34 9HT
- * Ruskington Medical Centre, 6 Brookside Close, NG34 9GQ
- * The Black Bull, Rectory Road, NG34 9AB

These are free to use by the members of the public. Upon calling the emergency services, they will be able to instruct you on where to go and how to access the defibrillator, if needed. But its always good to have a mental note of where the nearest one is located.

If there is any concerns in relation to the defibrillators, please contact the Clerk to the Parish Council on 01526 834483.

Hospital Voluntary Car Service (HVCS)

The service provides a reliable door-to-door journey and is available to all residents of Ruskington and Dorrington who have no other viable or practical means of attending a medical or dental appointment.

It is available for journeys to locations within the county although this can be extended to Nottinghamshire, Cambridgeshire and Derbyshire if required. It is charged at 45p per mile (Measured from the centre of Ruskington.)

For further details contact: Lyn Gardner 01526 833630

If you have a car and a few hours to spare why not become a volunteer driver. You are paid 45p per mile – tax free!

Note: The HVCS has been approved to operate during the current COVID pandemic with some restrictions on number of patients carried.
