The table above shows how often each councillor attended Full Council meetings from April 2024 to March 2025. **No meeting is held in August.**

If a councillor joined or left during the year, only the meetings they were a member for have been counted.

Some councillors also attended extra committee meetings, like planning or finance. These are not included in this table but are written in the meeting minutes.

These numbers show attendance only. They do not show how active or effective a councillor is overall.
