

# LIGHT UP RUSKINGTON CHRISTMAS 2026

## Dear Business Owner,

Last year, the enchanting Christmas trees on High Street and Church Street brought joy to our community. We're excited to recreate this festive magic again this year, and we invite your valued participation.

**Enjoy the holiday spirit at no cost** – the Parish Council will supply the trees and LED lights.

**Let us handle the setup** – our team will install the trees, inspect or repair brackets, and dismantle everything afterward.

**Your generosity matters** – we suggest a donation of £10 per business to support the costs, if you feel inclined.

For businesses without a bracket, please get in touch if you'd like a tree. Note that property owner permission is required for new bracket installations.

Additionally, we want to advise you of the **Christmas Market** on **Saturday, 5 December** and encourage you to stay open late on this day to make the most of the festive atmosphere and increased foot traffic.

Here's how you can get involved:

- Complete and return the reply slip by **Friday, 9 October 2026**.
- Send it via:
  - Email: Scan and email to [clerk@ruskington-pc.gov.uk](mailto:clerk@ruskington-pc.gov.uk)
  - Drop-off: Place it in the Parish Office letterbox at 7–9 High Street North

Thank you for your contribution to making Ruskington a joyful and inviting place this Christmas season.

Warm festive regards,

**Ruskington Parish Council**
